

Meet Janet McMaster, MAS Serving as VAPPA Secretary

My favorite vacation spot is anywhere that has sand and serve drinks with little umbrellas in them.

I grew up in Pennsylvania. Born near State College (Go Penn State), then moved when I was 10 to the Hershey area, and finished high school and lived in the Hanover area (the Snack Food Capital of the World) until 2012.

My favorite movie is hard to select just one, but I guess I'd say Forrest Gump. His heart was so pure and he continuously overcame adversity time and time again.

My favorite cliché is: A real friend is one who walks in when the rest of the world walks out

My favorite ice cream flavor is
Mint Chocolate Chip

The farthest place I've ever been to is Panama Canal

The "Craziest" thing I've ever done is I cannot reveal to the *public* but participating in office chair races down an inclined driveway at 2AM, the night before my father-in-law's property sale, is certainly up there on the list.
