

Meet Joy Jacobs, Immediate Past President of VAPPA

My favorite vacation spot is anywhere with mountains!

I grew up in Olmsted Falls, OH

My favorite movie is lol, depends on what mood I'm in but Meet Joe Black is always a go to!

My favorite cliché is I can tell you better which one is my LEAST favorite:

“it is what it is”

My favorite ice cream flavor is anything that is mixed with caramel.

The farthest place I've ever been to is
Scotland

The “Craziest” thing I've ever done this is NOT in my DNA, lol
